News

We have created a WhatsApp group, simply text your name to 07444263315 or send us a message and we will add you to the group.

We're excited to announce Weymouth Youth Fest will take place on Friday 26th July, from 2pm to 10pm at the Weymouth and Portland Rugby Club! This vibrant community event will feature live music, creative arts and crafts, food stalls, and a range of activities celebrating local young talent. It's a wonderful opportunity for families and friends to come together and enjoy a fun-filled day in support of our youth.

Our community-led music festival will help raise vital funds to support local youth services. Proceeds from the event are being used to provide additional support for young people, including Christmas presents for children in care—ensuring that every child feels remembered and valued during the holidays.

This grassroots fundraising effort highlights the strong local commitment to improving the lives of vulnerable young people. It also demonstrates our ability to mobilize community energy around projects that matter, complementing the support sought through grant funding.

If you or your organisation would like to have a stall at the festival, showcasing your work or selling crafts, please get in touch by emailing the centre as soon as possible to secure your spot.

We're also gearing up for the Summer Holiday Activities and Food (HAF) programme, which starts soon! This fantastic initiative offers free, engaging activities and nutritious meals for children and young people eligible for free school meals, helping to keep them active, healthy, and connected during the holidays.

In addition, our much-anticipated Community Pantry is nearly ready to launch. This project will provide affordable, high-quality food to local families facing hardship, helping to reduce food insecurity and build community resilience. If you would like to get involved please drop us an email. If you would like to donate please contact us to arrange.

Looking for a welcoming space to run your group or class? We offer timetable slots at just £15.00 per hour, perfect for community groups, workshops, or regular classes. Whether you want to start a new activity or expand your existing sessions, our centre provides a friendly, accessible venue to connect with local people. We also welcome bookings for one-off events, meetings, or celebrations. If you're interested in hiring space or want to find out more, please get in touch with us—we'd love to help you get started!

We want to extend a heartfelt thank you to everyone in the community for your ongoing support and involvement. Your enthusiasm and generosity make projects like these possible and help us create a safer, healthier, and more inclusive environment for all young people in Weymouth.

For stall enquiries or more information about any of our programmes, please contact the centre. We look forward to celebrating with you at Youth Fest and welcoming you to our summer activities!

We have two computers that can be used if you need them. There is also printer access if required. Just pop in between 10 am and 12pm if you need to. You are also more than welcome to come and use the lobby to work from home. We also have a copier if you need it.

Coffee morning is now serving toast and tea cakes so come along and enjoy the warmth and some company. All welcome.

The centre also has a shower so if you or your family need to use it please email the centre and we can make sure someone is there to give you access.

We have a washing machine and tumble dryer that can be used. If you have accessibility issues please let us know so we can arrange access for you. Just email or drop in to arrange using the facilities. We can also make it available at other times.

Take care everyone, The Park Community Centre.
