The open day was a huge success, thank you to everyone in the community that volunteered and attended. It was amazing to see lots of new faces at the centre and meet all the amazing projects going on in the area. We will be adding a section to the website that will give you information on all sorts of local projects and the support they offer.

We have created a new WhatsApp group, simply text your name to 07444263315 or send us a message and we will add you to the group. We hope to create a community group where people can announce lost pets, ask for recommendations of tradesmen and anything else people would like to do with it. If you have any ideas please either text or email us!

We are upgrading the centres internet to fibre so remember if you need internet access we are open Mon to Thursday 10am till 12pm.

Youth club has been really popular and we hope to arrange lots of new projects involving our young adults. If you would like to get involved please either drop us an email or text.

On Saturday the 11th of May we will be turning the main hall into an interactive coral reef with lots of sensory activities aimed at under 5's (flexible if you want to bring older siblings) We will have lots of fun activities and snack boxes available just £1.50 for 4 items £2.50 with a refillable cup to take home. Come join us for plenty of under the sea fun!

We will be hosting a huge dress sale on the 25th May at 10am till 1pm. Pick from formal, ballroom and Prom dresses, various sizes and styles, all very reasonably priced. Please email the centre with any queries. Also includes accessories and shoes.

During our open day we hired a consultant to speak to everyone about what they need from the centre. We will be placing further questionnaires in the lobby so pop along and fill one out and have your say on what you would like to see at the centre.

We are currently working towards securing funding for various projects, all of which will be available to look at on the website. If you would like to volunteer or get involved please email the centre.

As always there is a lot in the pipeline at the centre. We will be holding a charity music quiz to raise money for the centre projects, raving Tots will be back for a summer special, as will movie nights and much more. We are also hoping to arrange a community water fight for the summer so keep an eye on the newsletter for further events and activities.

We are also talking with the circular shop on Lennox street as they kindly offered to do some repairs at the centre. If you haven't already, make sure you pop along and see all the wonderful things you can hire at a very small price!

We couldn't do what we do without the support of you the local community so as always thank you for your continued support and participation. Here's to new projects and creating a community that supports everyone.

We have two computers that can be used if you need them. There is also printer access if required. Just pop in between 10 am and 12pm if you need to. You are also more than welcome to come and use the lobby to work from home. We also have a copier if you need it.

Coffee morning is now serving toast and tea cakes so come along and enjoy the warmth and some company. We also have a brand new coffee machine

The centre also has a shower so if you or your family need to use it please email the centre and we can make sure someone is there to give you access.

The two charity quizzes as always raised a large amount of money for their causes. If you would like to take part in the next quiz please email the centre to book in advance.

We have a washing machine and tumble dryer that can be used. We will be opening the centre on Sundays for the community to use both the washing and cooking facilities if needed. If you have accessibility issues please let us know so we can arrange access for you. Just email or drop in to arrange using the facilities. We can also make it available at other times.

Take care everyone, The Park Community Centre.

- Recycling Bins, food caddies and seagull proof bags are available from the centre 10am till 12 weekdays
- Function rooms are bookable at £15 per hour.
- Downstairs is a hall suitable for sports and large gatherings. It includes a full kitchen, toilets, WIFI, PA system and bouncy castle.
- Upstairs has 2 rooms, a meeting room with comfortable sofas, table and chairs.
- The other is a large activities room including full size snooker table, pool table, table tennis, air hockey and table football. Kitchen area, toilets and shower facilities.
- Check out the website for our new party packages or pick up a brochure from the lobby
