We have just finished updating our systems and renovating the centre, come along and let us know what you think!

Raving Tots Pro-gen-y has also been bringing lots of new faces into the centre. The next one is the 25th November, just £2 entry. Family fun with lots of free activities and refreshments

In November we will be hosting some craft days to make items for our Christmas project. If you would like to get involved please email the centre. We will also have a volunteer sheet in the centre for the Christmas Sparkle. If you would like to get involved just put your details on the list.

We have the first phase of our community pantry complete with new shelves to hold all our goodies. If you would like to donate any non perishables please drop them into the centre. We are currently fundraising for a tall fridge so we can offer fresh items too. Make sure you follow the Facebook page for up to date info on what's available in the pantry.

We will be hosting the first Saturday morning cinema soon, just £1 entry and £1.50 for a snack box with drink, popcorn and sweets. We will announce the movie nearer the time.

We are also starting stay and play for mothers and children on a Wednesday 10am till 12 in September. just £1.50 per session, refreshments available.

We are currently looking for 2 admins for our Facebook page and people to blog about the area for the website. If your interested please message the Facebook page or drop us an email.

Soon we will be recruiting for specific volunteer roles so watch this space. Its a great way to gain experience in a community setting, written references will also be provided, as will any training required.

The centre has a new point of sale system so can now accept cash and card payments. We can also take bookings online at the website. You can also book your activity sessions and pay for them online. If you require help learning to do this let us know

We will be having a digital helper running sessions at the centre soon so anyone who needs help with anything computer related can drop in. We have 2 computers which we are hoping to increase to four so if you need access to the internet or a printer you can pop into the centre.

We have been collecting Cardboard boxes for the Halloween party and bottles and jars to make potions. If you wish to donate any Halloween inspired decorations please just drop them to the centre between 10am and 12pm Monday to Friday. We will be looking for volunteers for the Halloween party so drop in or email if you are interested in helping. On Saturday 14th October 10am till 1pm we will be holding a craft day to create decorations for the Halloween party. Come along and help, everyone welcome! All materials provided. Then the big party is on Halloween itself 5 till 7pm, includes disco, bouncy castle and buffet, come learn all about All Hallows Eve and have some fun. Free Treat bag for children.

We look forward to seeing you all and working together to create an inclusive and happy community.

There has been a huge amount of disinformation spread about the centre and trustees. We would like to take this opportunity to assure you the only changes are to policies and procedures so they only affect group leaders. Everyone is welcome in the centre and the changes were implemented to keep everyone safe, and to make the centre legal. None of the current groups or events are being cancelled we are simply adding more variety to the timetable to appeal to the entire community. We appreciate change is hard for some people but our only goal is to make a safe happy environment for everyone. We look forward to seeing you all soon!
